Gorgeous 2015 SCBRA awards saddle won by Brenda McMahan.

SCBRA will either choose an awards saddle for the winner or they can choose to order it themselves to customize it. Either way SCBRA gives the winner up to \$1,000 towards the saddle. We do have access to order very nice saddles if the winner does not want it customized.

SOUTHERN COLORADO BARREL HORSE ASSOCIATION

Who are we?

We, as barrel racers, felt a need for an association that can provide all of us with competition and excellence in barrel racing. So as a group, we organized the SCBRA in 1991. Our goal is to organize and raise the level of competition and improve barrel racing as a sport.

As a member of SCBRA, you will earn points with us in the OPEN, SENIOR, YOUTH and NOVICE HORSE classes. As you rack up points in your own organization, money earned from the sanctioned races listed below will be accumulated dollar-for-dollar in SCBRA in accordance with our 2016 Rule Book. These earnings will be accumulated for our year-end awards to be held in early October. Please contact our President Pam Ferguson (ptfergie@msn.com) to join our family! Check us out at SCBRA.com.

The Bulletin Board

Q. May I join SCBRA after a race and count the money I earned at that race?

A. Unfortunately, NO.

We prefer that you sign up before the race, complete the paper work and then money earned on that race will count.

However, IF you commit to a "board member" before the race that you want to join that day but the "board member" doesn't have time to complete the paperwork, we will accept that as a verbal contract until the paperwork is completed later that day and the monies won at that race will count for SCBRA.

Please feel free to contact any board member for further questions or check out our rule book found at SCBRA.com

Lanette has over 30 years of experience teaching riders and horses barrel racing. Lanette has traveled all over the country working with the best barrel racers out there using the Tanner Time timing system to learn the science of speed in barrel racing and what makes a fast smooth run. Lanette has trained several barrel horses to be top completers in Rodeo and Barrel Racing across the country. Teaching with Lynn McKenzie for over ten years, working with Charmayne James and other top barrel race trainers through out the years. Here at the Tanner Time training Center we will have arena time and class room time to study your runs on video. We can work with beginners to the barrel racer trying to find that half second in her run. You will learn about bits, saddles and equipment that helps your barrel horse to be the best they can be. Learn how to use round corral work to make your horse and you more responsive in the barrel pattern. If time allows we will go over barrel race training drills for you and your horse. And most important the mental game of barrel racing.
